

## Remarks

### I. The Amendments

It is not clear from Applicants' records whether or not a computer diskette had previously been submitted in the present application. Therefore, they have prepared a new diskette and have enclosed it herewith. Apart from this submission, no changes were made to the application.

### II. Statements to Comply with Sequence Listing Rules

In compliance with the requirements of 37 C.F.R. § 1.821, Applicants' undersigned attorney hereby states that the content of the paper copy of the Sequence Listing and the content of the computer readable copy of the Sequence Listing submitted herewith are the same. The enclosed copy of the Sequence Listing does not add new matter to the application.

## Conclusion

In light of the amendments and remarks above, Applicants believe that they have now fully complied with the Sequence Listing rules. It is therefore respectfully submitted that this application is now in condition for substantive review. If, in the opinion of the Examiner, a phone call may help to expedite the prosecution of the application, the Examiner is invited to call Applicants' undersigned attorney at (202) 419-7013.

Respectfully submitted,
